

Coronavirus/Covid-19 Risk Waiver for TMART Training

The novel corona virus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited or discouraged the congregation of groups of people.

TMART has put in preventative measures to help reduce the spread of COVID-19; however, TMART **cannot guarantee** that you will not become infected with COVID-19. Further, **attending training activities could increase** the risk of contracting COVID-19.

By signing this Agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by attending classes and programs conducted by TMART, regardless of the location of such classes and programs, and that such exposure or infection may result in personal injury, illness, permanent disability, and death.

I understand that the risk of becoming exposed to or infected by COVID-19 at TMART training sessions may result from the actions, omissions, or negligence of ownership, staff or others, including, but not limited to, the Released Parties (as defined below), and other activity participants.
